Item 1.01 Entry into a Material Definitive Agreement.

On April 16, 2013, Sabine Pass Liquefaction, LLC (“SPL”), a wholly owned subsidiary of Cheniere Energy Partners, L.P. (the “Partnership”), closed the sale of \$500.0 million aggregate principal amount of its 5.625% Senior Secured Notes due 2021 (the “2021 Notes”) and \$1.0 billion aggregate principal amount of its 5.625% Senior Secured Notes due 2023 (the “2023 Notes”) and, together with the 2021 Notes, the “Notes”) pursuant to the Purchase Agreement dated April 10, 2013 (the “Purchase Agreement”), between SPL and Morgan Stanley & Co. LLC, as representative of the initial purchasers named therein (the “Initial Purchasers”). The 2021 Notes will constitute a further issuance of and will form a single series with the 5.625% Senior Secured Notes due 2021 (the “Outstanding 2021 Notes”) that were issued by SPL on February 1, 2013. The sale of the Notes was not registered under the Securities Act of 1933, as amended (the “Securities Act”), and the Notes were sold on a private placement basis in reliance on Section 4(2) of the Securities Act and Rule 144A and Regulation S thereunder.

Purchase Agreement

The Purchase Agreement contains customary representations, warranties and agreements by SPL and customary conditions to closing and indemnification obligations of SPL and the Initial Purchasers. The foregoing description of the Purchase Agreement is not complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is filed as Exhibit 1.1 hereto and is incorporated by reference herein.

The Initial Purchasers and certain of their affiliates have provided from time to time, and may provide in the future, certain investment and commercial banking and financial advisory services to SPL and the Partnership in the ordinary course of business, for which they have received and may continue to receive customary fees and commissions.

Indenture

The Notes were issued on April 16, 2013 (the “Issue Date”) pursuant to the Indenture, dated as of February 1, 2013 (the “Base Indenture”), by and among SPL, the guarantors that may become party thereto from time to time and The Bank of New York Mellon, as Trustee (the “Trustee”), as supplemented by a first supplemental indenture, dated as of April 16, 2013, between SPL and the Trustee, relating to the 2021 Notes (the “First Supplemental Indenture”), and a second supplemental indenture, dated as of April 16, 2013, between SPL and the Trustee, relating to the 2023 Notes (the “Second Supplemental Indenture” and, together with the First Supplemental Indenture, the “Supplemental Indentures”). The Base Indenture as supplemented by the Supplemental Indentures is referred to herein as the “Indenture.”

Under the terms of the Indenture, the 2021 Notes will mature on February 1, 2021 and will accrue interest at a rate equal to 5.625% per annum on the principal amount from February 1, 2013, with such interest payable semi-annually, in cash in arrears, on February 1 and August 1 of each year, beginning on August 1, 2013. The 2021 Notes will constitute a further issuance of and will form a single series with the Outstanding 2021 Notes that were issued by SPL on February 1, 2013. Under the terms of the Indenture, the 2023 Notes will mature on April 15, 2023 and will accrue interest at a rate equal to 5.625% per annum on the principal amount from the Issue Date. Such interest will be payable semi-annually, in cash in arrears, on April 15 and October 15 of each year, beginning October 15, 2013.

The Notes are senior secured obligations of SPL and rank senior in right of payment to any and all of SPL's future indebtedness that is subordinated in right of payment to the Notes and equal in right of payment with all of SPL's existing and future indebtedness that is senior and secured by the same collateral securing the Notes. The Notes are effectively senior to all of SPL's senior indebtedness that is unsecured to the extent of the value of the assets constituting the collateral securing the Notes.

As of the Issue Date, the Notes were not guaranteed but will be guaranteed in the future by all of SPL's future restricted subsidiaries. Such guarantees will be joint and several obligations of the guarantors of the Notes. The guarantees of the Notes will be senior secured obligations of the guarantors.

At any time or from time to time prior to, November 1, 2020, with respect to the 2021 Notes, or January 15, 2023, with respect to the 2023 Notes, SPL may redeem all or a part of the Notes, at a redemption price equal to the "make-whole" price set forth in the Indenture for such 2021 Notes or such 2023 Notes, as applicable, plus accrued and unpaid interest, if any, to the date of redemption. SPL also may at any time on or after November 1, 2020, with respect to the 2021 Notes, or January 15, 2023, with respect to the 2023 Notes, redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to the date of redemption.

The Indenture also contains customary terms and events of default and certain covenants that, among other things, limit SPL's ability and the ability of SPL's restricted subsidiaries to incur additional indebtedness or issue preferred stock, make certain investments or pay dividends or distributions on capital stock or subordinated indebtedness or purchase, redeem or retire capital stock, sell or transfer assets, including capital stock of SPL's restricted subsidiaries, restrict dividends or other payments by restricted subsidiaries, incur liens, enter into transactions with affiliates, consolidate, merge, sell or lease all or substantially all of SPL's assets and enter into certain LNG sales contracts. The Indenture covenants are subject to a number of important limitations and exceptions.

This description of the Indenture is qualified in its entirety by reference to the Indenture, which is incorporated by reference herein. A copy of the Base Indenture was filed as Exhibit 4.1 to the Current Report dated January 29, 2013, filed by the Partnership on Form 8-K. Copies of the First Supplemental Indenture and the Second Supplemental Indenture are filed herewith as Exhibits 4.1.1 and 4.1.2, respectively.

Registration Rights Agreement

In connection with the closing of the sale of the Notes, SPL and Morgan Stanley & Co. LLC, as representative of the Initial Purchasers, entered into a Registration Rights Agreement, dated April 16, 2013 (the "Registration Rights Agreement"). Under the terms of the Registration Rights Agreement, SPL has agreed, and any future guarantors of the Notes will agree, to use commercially reasonable efforts to file with the U.S. Securities and Exchange Commission and

cause to become effective a registration statement with respect to an offer to exchange any and all of the 2021 Notes and any and all of the 2023 Notes for a like aggregate principal amount of debt securities of SPL issued under the Indenture and identical in all material respects to the 2021 Notes and 2023 Notes, respectively, sought to be exchanged (other than with respect to restrictions on transfer or to any increase in annual interest rate), and that are registered under the Securities Act. SPL has agreed, and any future guarantors of the Notes will agree, to use commercially reasonable efforts to cause such registration statement to become effective within 295 days after the Issue Date. Under specified circumstances, SPL has also agreed, and any future guarantors will also agree, to use commercially reasonable efforts to cause to become effective a shelf registration statement relating to resales of the Notes. SPL will be obligated to pay additional interest if it fails to comply with its obligations to register the Notes within the specified time periods.

This description of the Registration Rights Agreement is qualified in its entirety by reference to the Registration Rights Agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information included in Item 1.01 of this report is incorporated by reference into this Item 2.03.

Item 7.01. Regulation FD Disclosure.

On April 16, 2013, the Partnership issued a press release announcing that SPL closed its previously announced offering of the Notes. A copy of the press release is attached as Exhibit 99.1 to this report and incorporated herein by reference.

The information included in this Item 7.01 of this Current Report on Form 8-K shall not be deemed “filed” under the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as may be expressly set forth by specific reference to this Item 7.01 in such a filing.

New York, New York 10036

Dear Sirs:

1. *Introductory.* Sabine Pass Liquefaction, LLC, a Delaware limited liability company (the "**Company**"), agrees with the initial purchasers named in Schedule A hereto (the "**Purchasers**") subject to the terms and conditions stated herein, to issue and sell to the Purchasers in the aggregate U.S.\$500,000,000 principal amount of its 5.625% Senior Secured Notes due 2021 (the "**2021 Notes**") and in the aggregate U.S.\$1,000,000,000 principal amount of its 5.625% Senior Secured Notes due 2023 (the "**2023 Notes**", together with the 2021 Notes, the "**Notes**"). The Notes shall be issued under an indenture dated as of February 1, 2013 (the "**Base Indenture**"), between the Company and The Bank of New York Mellon, as Trustee (the "**Trustee**") as supplemented by a first supplemental indenture that will be dated as of April 16, 2013, relating to the 2021 Notes (the "**First Supplemental Indenture**") and a second supplemental indenture that will be dated as of April 16, 2013, relating to the 2023 Notes (the "**Second Supplemental Indenture**"), and together with the First Supplemental Indenture, the "**Supplemental Indentures**") (the Base Indenture, as supplemented by the Supplemental Indentures, the "**Indenture**").

The Notes will be secured by the Collateral (as herein defined), on which the Company has granted a security interest to Société Générale, as common security trustee (the "**Common Security Trustee**"), in accordance with the Security Documents (as defined in the Common Terms Agreement, dated as of July 31, 2012, as amended (the "**Common Terms Agreement**"), among the Company, the Secured Debt Holder Group Representatives (as defined therein), the Secured Hedge Representatives (as defined therein), the Secured Gas Hedge Representatives (as defined therein), the Common Security Trustee and the Intercreditor Agent (as defined therein).

The holders of the Notes will be entitled to the benefits of a Registration Rights Agreement dated as of the Closing Date (as hereinafter defined) between the Company and the Purchasers (the "**Registration Rights Agreement**"), pursuant to which the Company agrees to file a registration statement with the Securities and Exchange Commission (the "**Commission**") registering the exchange of registered notes for the Notes or resale of the Notes under the Securities Act of 1933, as amended (the "**Securities Act**") with terms substantially identical to the Notes (the "**Exchange Notes**").

The Company hereby agrees with the Purchasers as follows:

2. *Representations and Warranties of the Company.* The Company represents and warrants to, and agrees with, the Purchasers that:

(a) A preliminary offering circular, dated April 10, 2013, (the “**Preliminary Offering Circular**”) relating to the Notes to be offered by the Purchasers and a final offering circular (the “**Final Offering Circular**”) disclosing the offering price and other final terms of the Notes and is dated as of the date of this Agreement (even if finalized and issued subsequent to the date of this Agreement) have been or will be prepared by the Company. “**General Disclosure Package**” means the Preliminary Offering Circular, together with any Issuer Free Writing Communication (as hereinafter defined) existing at the Applicable Time (as hereinafter defined) and the information in it which is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule B to this Agreement (including the term sheets listing the final terms of the Notes and their offering, included as Schedule C.1 and Schedule C.2 to this Agreement, which is referred to as the “**Terms Communication**”). “**Applicable Time**” means 4:30 p.m. (Eastern time) on the date of this Agreement. As of the date of this Agreement, the Final Offering Circular does not, and as of the Closing Date, the Final Offering Circular will not, include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the Applicable Time and as of the Closing Date, none of (i) the General Disclosure Package, (ii) any individual Supplemental Marketing Material (as hereinafter defined), when considered together with the General Disclosure Package, nor (iii) any Additional Written Information identified on Schedule D to this Agreement, included or will include any untrue statement of a material fact or omitted or will omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding two sentences do not apply to statements in or omissions from the Preliminary Offering Circular or Final Offering Circular, the General Disclosure Package or any Supplemental Marketing Material based upon written information furnished to the Company by any Purchaser specifically for use therein, it being understood and agreed that the only such information is that described as such in Section 8(b) hereof.

“**Free Writing Communication**” means a written communication (as such term is defined in Rule 405 under the Securities Act) that constitutes an offer to sell or a solicitation of an offer to buy the Notes and is made by means other than the Preliminary Offering Circular or the Final Offering Circular. “**Issuer Free Writing Communication**” means a Free Writing Communication prepared by or on behalf of the Company, used or referred to by the Company or containing a description of the final terms of the Notes or of their offering, in the form retained in the Company’s records. “**Supplemental Marketing Material**” means any Issuer Free Writing Communication specified in Schedule D to this Agreement.

(b) Except for the Supplemental Marketing Material identified in Schedule D hereto and furnished to you before first use, the Company has not prepared, used or referred to, and will not, without your prior consent, prepare, use or refer to any Supplemental Marketing Material in connection with the issuance of the Notes.

(c) The Company has been duly formed and is validly existing as a limited liability company in good standing under the laws of the State of Delaware, with limited liability company power and authority to own or lease its properties and conduct its business as described in the General Disclosure Package. The Company is duly qualified to do business as a foreign limited liability company in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to be so qualified or have such power or authority would not, individually or in the aggregate, result in a material adverse effect on the financial condition, business, properties or results of operations of the Company (a “**Material Adverse Effect**”). The Company has the limited liability company power and authority to execute and deliver, and to perform its obligations under, each of this Agreement, the Indenture, the Notes and the Registration Rights Agreement.

(d) The Company does not have any Subsidiaries (as such term is defined in the Indenture).

(e) Each Supplemental Indenture has been duly authorized by the Company, and, when duly executed and delivered in accordance with its terms by the Company, assuming due authorization, execution and delivery thereof in accordance with its terms by the Trustee, will constitute a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles. The Base Indenture has been duly authorized, executed and delivered in accordance with its terms by the Company, and constitutes a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles. The Indenture will conform in all material respects to the description thereof contained in the General Disclosure Package and the Final Offering Circular.

(f) The Notes have been duly authorized by the Company for issuance and sale pursuant to this Agreement and the Indenture, and when executed by the Company and authenticated by the Trustee in accordance with the terms of the Indenture and delivered against payment of the purchase price therefor, will conform in all material respects to the description thereof contained in the General Disclosure Package and the Final Offering Circular, and will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles, and will be entitled to the benefits of the Indenture.

(g) The Exchange Notes have been duly authorized by the Company and, when executed and authenticated in accordance with the provisions of the Indenture and the Registration Rights Agreement, will be valid and binding obligations of the Company, enforceable in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles, and will be entitled to the benefits of the Indenture.

(h) The Registration Rights Agreement has been duly authorized by the Company; and, when the Notes have been duly executed, authenticated, issued, delivered and paid for pursuant to this Agreement on the Closing Date, the Registration Rights Agreement will have been duly executed and delivered by the Company and will constitute a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and remedies or by general equity principles.

(i) Except as disclosed in the General Disclosure Package, there are no contracts, agreements or understandings between the Company and any person that would give rise to a valid claim against the Company or any Purchaser for a brokerage commission, finder's fee or other like payment with respect to the consummation of the transactions contemplated by this Agreement.

(j) No consent, approval, authorization, or order of, or filing with, any governmental agency or body or any court is required for the Company's execution, delivery and performance of this Agreement, the Registration Rights Agreement or the Indenture, or the issuance and delivery of the Notes, or the consummation of the transactions contemplated by this Agreement in connection with the issuance and sale of the Notes by the Company except (i) as may be required under applicable state securities laws in connection with the purchase and resale of the Notes by the Purchasers, (ii) those required under the Registration Rights Agreement and (iii) those that, if not obtained or made, would not, individually or in the aggregate, have a Material Adverse Effect.

(k) The execution and delivery of the Supplemental Indentures, this Agreement and the Registration Rights Agreement, and the performance of the Indenture, this Agreement, and the Registration Rights Agreement, and the issuance and sale of the Notes and compliance with the terms and provisions thereof will not result in (i) a violation of any statute, rule, regulation or order of any governmental agency or body or any court, domestic or foreign, having jurisdiction over the Company or any of its properties, (ii) a breach or violation of any of the terms or provisions of, or constitute a default under any agreement or instrument to which the Company is a party or by which the Company is bound or to which any of the properties or assets of the Company is subject, or (iii) any violation of the provisions of the limited liability company agreement or certificate of formation of the Company (the "**Organizational Documents**"), except, in the case of clauses (i) and (ii) above, for any such conflict, breach or violation that would not, individually or in the aggregate, have a Material Adverse Effect.

(l) This Agreement has been duly authorized, executed and delivered by the Company.

(m) The Company has good and indefeasible title to all real property and good title to all personal property described in the General Disclosure Package as owned by the Company, free and clear of all Liens except (i) as described, and subject to limitations contained, in the General Disclosure Package or (ii) as do not materially interfere with the use of such properties taken as a whole as they have been used in the past and are proposed to be used in the future as described in the General Disclosure Package; with respect to any real property and buildings held under lease by the Company, such real property and buildings are held under valid and subsisting and enforceable leases with such exceptions as do not materially interfere with the use of the properties of the Company as they have been used in the past as described in the General Disclosure Package and are proposed to be used in the future as described in the General Disclosure Package; *provided, however*, that with respect to such leases, the enforceability thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws relating to or affecting creditors' rights and remedies and by general equity principles.

(n) Except as described in or contemplated by the General Disclosure Package, the Company possesses all permits, licenses, approvals, consents and other authorizations (collectively, "**Governmental Licenses**") issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct the business associated with their assets in their current stage of development, except where the failure to so possess would not, individually or in the aggregate, result in a Material Adverse Effect; the Company is in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, individually or in the aggregate, result in a Material Adverse Effect; all of the Governmental Licenses are valid and in full force and effect, except where the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not, individually or in the aggregate, result in a Material Adverse Effect; and the Company has not received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses that, individually or in the aggregate would have a Material Adverse Effect.

(o) Except as disclosed in the General Disclosure Package, the Company possesses all certificates, authorities or permits issued by the appropriate governmental agencies or bodies (collectively, "**Licenses**") that are currently required to develop their proposed business, except where the failure to so possess would not, individually or in the aggregate, result in a Material Adverse Effect, and the Company has not received any notice of proceedings relating to the revocation or modification of any Licenses that, if determined adversely to the Company, would individually or in the aggregate have a Material Adverse Effect.

(p) No material labor dispute with the employees of the Company exists or, to the knowledge of the Company, is imminent, that could reasonably be expected to have a Material Adverse Effect.

(q) Except as would not have a Material Adverse Effect, (i) the Company owns or possesses, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, "**Intellectual Property**") necessary to carry on the business of the Company, and (ii) the Company has not received any notice and is not otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances that would render any Intellectual Property invalid or inadequate to protect the interests in the Company.

(r) Except as described in or contemplated by the General Disclosure Package, the Company (i) is in compliance with any and all applicable federal, state and local laws and regulations relating to the prevention of pollution, the protection of the environment or human health or safety relating to Hazardous Materials, or imposing liability or standards of conduct concerning any Hazardous Materials ("**Environmental Laws**"), (ii) has received all permits, licenses, approvals or other authorizations required of it under applicable Environmental Laws ("**Environmental Permits**") to conduct its business as presently conducted, (iii) is in compliance with all terms and conditions of any such Environmental Permits, (iv) does not have any liability in connection with the Release into the environment of any Hazardous Material, (v) has not received any written communication from a governmental authority that alleges that it is in violation of, or liable under, any Environmental Law and (vi) has not received written notice from any governmental authority that it is subject to any investigation with respect to any potential violation of or liability under or pursuant to Environmental Law, except in the case of each of clauses (i), (ii), (iii), (iv), (v) and (vi) as would not, individually or in the aggregate, have a Material Adverse Effect. The term "**Hazardous Material**" means (A) any "hazardous substance" as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, (B) any "hazardous waste" as defined in the Resource Conservation and Recovery Act, as amended, (C) any petroleum or petroleum product, (D) any polychlorinated biphenyl and (E) any pollutant or contaminant or hazardous, dangerous or toxic chemical, material, waste or substance regulated under or within the meaning of any applicable Environmental Law or which can give rise to liability under any Environmental Law. The term "**Release**" means any release, spill, emission, discharge, deposit, disposal, leaking, pumping, pouring, dumping, emptying, injection or leaching into the environment.

(s) The Company and each of its ERISA Affiliates (as defined below) is in compliance in all material respects with all presently applicable provisions of the Employee Retirement Income Security Act of 1974, as amended, including the regulations and published interpretations thereunder ("**ERISA**"); no "reportable event" (as defined in ERISA) has occurred with respect to any "pension plan" (as defined in ERISA) for which the Company or any of its ERISA Affiliates would have any liability, excluding any reportable event for which a waiver could apply; no "employee benefit plan" established or maintained by the Company or any of its ERISA Affiliates, if such "employee benefit plan" were terminated, would have any "amount of

unfunded benefit liabilities” (as defined under ERISA); neither the Company or any of its ERISA Affiliates has incurred or reasonably expects to incur liability under (i) Title IV of ERISA with respect to termination of, or withdrawal from, any “pension plan” or (ii) Sections 412, 430, 4971 or 4975 of the Internal Revenue Code of 1986, as amended, including the regulations and published interpretations thereunder (the “Code”); and each “pension plan” for which the Company or any of its ERISA Affiliates would have any liability that is intended to be qualified under Section 401(a) of the Code has been determined by the Internal Revenue Service to be so qualified, and nothing has occurred, whether by action or by failure to act, that would reasonably be expected to cause the loss of such qualification. “ERISA Affiliate” means, with respect to the Company, any member of any group of organizations described in Section 414 of the Code of which the Company is a member. no “employee benefit plan” established or maintained by the Company or any of its ERISA Affiliates, if such “employee benefit plan” were terminated, would have any “amount of unfunded benefit liabilities” (as defined under ERISA).

(t) Except as described in the General Disclosure Package, there is no (i) action, suit or proceeding before or by any court, arbitrator or governmental agency, body or official, domestic or foreign, now pending or, to the knowledge of the Company, threatened, to which it is or may be a party or to which its business or property is or may be subject, (ii) statute, rule, regulation or order that has been enacted, adopted or issued by any governmental agency with respect to the Company or (iii) injunction, restraining order or order of any nature issued by a federal or state court or foreign court of competent jurisdiction, to which the Company is or may be subject, that, in the case of clauses (i), (ii) and (iii) above, would, individually or in the aggregate, (A) have a Material Adverse Effect, (B) prevent or result in the suspension of the offering of the Notes or (C) in any manner draw into question the validity of this Agreement or the Notes.

(u) The financial statements and the related notes thereto included in the General Disclosure Package present fairly in all material respects the financial position of the Company as of the dates shown and its results of operations and cash flows for the periods shown, and, except as otherwise disclosed in the General Disclosure Package, such financial statements have been prepared in conformity with the generally accepted accounting principles in the United States applied on a consistent basis. The statistical and market related data included in the General Disclosure Package are based on or derived from sources that the Company believes to be reliable and accurate in all material respects.

(v) Since the date of the most recent financial statements of the Company included in the General Disclosure Package, (i) there has not been any change in the membership interest or units of the Company, or any distribution of any kind declared, set aside for payment, paid or made by the Company on any membership interest or units, or any material adverse change, or any development involving a prospective material adverse change, in or affecting the financial condition, business, properties or results of operations of the Company; (ii) the Company has not entered into any transaction or agreement that is material to the Company or incurred any liability or obligation, direct or contingent, that is material to the Company; and (iii) the Company has not sustained any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor disturbance or dispute or any action, order or decree of any court or arbitrator or governmental or regulatory authority that is material to the Company, except in the case of each of clauses (i), (ii) and (iii) as otherwise disclosed in the General Disclosure Package.

Neither the Company nor any affiliate will sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in the Securities Act) that would be integrated with the sale of the Notes in a manner that would require the registration under the Securities Act of (i) the sale of the Notes by the Company to the Purchasers, (ii) the resale of the Notes by the Purchasers to any subsequent purchasers or (iii) the resale of the Notes by such subsequent purchasers to others.

(g) During the period of one year after the Closing Date, the Company will not be or become, an open-end investment company, unit investment trust or face-amount certificate company that is or is required to be registered under Section 8 of the Investment Company Act.

(h) None of the Company, its affiliates, or any person acting on their behalf (other than any Purchaser, as to whom the Company makes no representation) will engage in any form of general solicitation or general advertising (within the meaning of Regulation D of the Securities Act) in connection with any offer or sale of the Notes in the United States or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Securities Act or engage in any directed selling efforts (as that term is defined in Regulation S) in the United States with respect to the Notes, and the Company and its affiliates and each person acting on its or their behalf (other than the Purchasers) will comply with the offering restrictions requirement of Regulation S.

(i) The Company will cooperate with the Purchasers and use its best efforts to permit the Notes to be eligible for clearance and settlement through DTC, Euroclear and Clearstream, Luxembourg.

(j) Whether or not the transactions contemplated in this Agreement are consummated or this Agreement is terminated, the Company will pay all expenses incidental to the performance of its respective obligations under this Agreement, the Indenture and the Security Documents, including but not limited to: (i) the fees and expenses of the Trustee, the Common Security Trustee and any transfer agent, registrar or depositary and their professional advisers; (ii) all expenses in connection with the execution, issue, authentication, packaging and initial delivery of the Notes, including any withholding, stamp, transfer or other similar taxes in connection with the original issuance and sale of Notes, the preparation and printing of this Agreement, the Security Documents, the Notes, the Indenture, the Preliminary Offering Circular, any other documents comprising any part of the General Disclosure Package, the Final Offering Circular, all amendments and supplements thereto, each item of Supplemental Marketing Material and any other document relating to the issuance, offer, sale and delivery of the Notes, including the fees, disbursements and expenses of the Company's counsel, Company's accountants and any other advisors to the Company; (iii) all filing costs and expenses relating to the perfection of security interests in the Collateral, as set forth in the Security Documents; (iv) the cost of any advertising approved by the Company in connection with the issue of the Notes; (v) any expenses (including reasonable fees and disbursements of counsel to the Purchasers) incurred in connection with qualification of the Notes for sale under the laws of such jurisdictions in the United States and Canada as the Representative designates and the preparation and printing of memoranda relating thereto; (vi) any fees charged by investment rating agencies for the rating of the Notes; (vii) all fees, disbursements and expenses of the Independent Engineer, Market Consultant and Insurance Consultant, and any other third-party consultants who have prepared reports, attached as annexes to the General Disclosure Package and Final Offering Circular or otherwise, in connection with the transactions contemplated by this Agreement; (viii) expenses incurred in distributing the Preliminary Offering Circular, any other documents comprising any part of the General Disclosure Package, the Final Offering Circular (including any amendments and supplements thereto) and any Supplemental Marketing Material to the Purchasers; (ix) all reasonable and documented out-of-pocket expenses (other than the fees, expenses and disbursements of counsel to the Purchasers) incurred by the Representative in connection with the transactions contemplated in this Agreement; and (x) all other reasonable and documented costs and expenses incident to the performance of the obligations of the Company hereunder for which provision is not otherwise made in this Section. The Company will also pay or reimburse the Representative (to the extent incurred by it) for reasonable, documented, out-of-pocket costs and expenses of the Representative and the Company's officers and employees relating to investor presentations on any "road show" in connection with the offering and sale of the Notes including, without limitation, any such travel expenses of the Company's officers and employees and any other expenses of the Company including the chartering of airplanes.

(k) The Company will use the net proceeds received in connection with the offering of the Notes in the manner described in the "Use of Proceeds" section of the General Disclosure Package.

(l) In connection with the offering of the Notes, until the Representative shall have notified the Company of the completion of the resale of the Notes, neither the Company nor any of its affiliates will, either alone or with one or more other persons, bid for or purchase for any account in which it or any of its affiliates has a beneficial interest any Notes or attempt to induce any person to purchase any Notes; and neither it nor any of its affiliates will make bids or purchases for the purpose of creating actual, or apparent, active trading in, or of raising the price of, the Notes.

(m) Until the Closing Date, the Company will not, directly or indirectly, take any of the following actions with respect to any United States dollar-denominated debt securities issued or guaranteed by the Company and having a maturity of more than one year from the date of issue or any securities convertible or exchangeable or exercisable for any such securities (“**Lock-Up Securities**”): (i) offer, sell, issue, contract to sell, pledge or otherwise dispose of Lock-Up Securities, (ii) offer, sell, issue, contract to sell, contract to purchase or grant any option, right or warrant to purchase Lock-Up Securities, (iii) enter into any swap, hedge or any other agreement that transfers, in whole or in part, the economic consequences of ownership of Lock-Up Securities; (iv) establish or increase a put equivalent position or liquidate or decrease a call equivalent position in Lock-Up Securities within the meaning of Section 16 of the Exchange Act or (v) file with the Commission a registration statement under the Securities Act relating to Lock-Up Securities or publicly disclose the intention to take any such action (other than as contemplated by this Agreement and the Registration Rights Agreement), without the prior written consent of Morgan Stanley & Co. LLC. The Company will not at any time directly or indirectly, take any action referred to in clauses (i) through (v) above with respect to any securities under circumstances where such offer, sale, pledge, contract or disposition would cause the exemption afforded by Section 4(a)(2) of the Securities Act or the safe harbor of Regulation S thereunder to cease to be applicable to the offer and sale of the Notes.

6. Free Writing Communications.

(a) The Company represents and agrees that, unless it obtains the prior consent of the Representative, and each Purchaser represents and agrees that, unless it obtains the prior consent of the Company and Representative, it has not made and will not make any offer relating to the Notes that would constitute an Issuer Free Writing Communication.

(b) The Company consents to the use by any Purchaser of a Free Writing Communication that (i) contains only (A) information describing the preliminary terms of the Notes or their offering or (B) information that describes the final terms of the Notes or their offering and that is included in the Terms Communication or is subsequently included in the Final Offering Circular, including by means of a pricing term sheet in the form of Exhibit B hereto, or (ii) does not contain any material information about the Company or its securities that was provided by or on behalf of the Company, it being understood and agreed that the Company shall not be responsible to any Purchaser for liability arising from any inaccuracy in such Free Writing Communications referred to in clause (i) or (ii) because it differed from the information in the Preliminary Offering Circular, the Final Offering Circular or the General Disclosure Package.

7. Conditions of the Obligations of the Purchasers. The several obligations of the Purchasers to purchase and pay for the Notes as provided herein on the Closing Date are subject to the satisfaction or waiver, as determined by the Representative of the following conditions precedent on or prior to the Closing Date:

(a) The Representative shall have received letters, dated (A) the date hereof, of Ernst & Young LLP, in form and substance satisfactory to the Representative and (B) the Closing Date, of Ernst & Young LLP, in form and substance satisfactory to the Representative, which letters shall each contain confirming statements and information of the type ordinarily included in “accountants’ comfort letters” to underwriters with respect to the financial statements and certain financial information contained in the General Disclosure Package and the Final Offering Circular, except that the specific date referred to therein for the carrying out of procedures shall be no more than three (3) business days prior to the date of such letter.

(b) Subsequent to the execution and delivery of this Agreement, there shall not have occurred (i) any change, or any development or event involving a prospective change, in the financial condition, results of operations, business or properties of the Company from that set forth in the General Disclosure Package provided to prospective purchasers of the Notes which, in the reasonable judgment of the Representative, is material and adverse and makes it impractical or inadvisable to proceed with completion of the offering or the sale of and payment for the Notes in the manner contemplated in the General Disclosure Package or (ii) any downgrading in the rating

of any debt securities of the Company by any “nationally recognized statistical rating organization” (as defined for purposes of 3(a)(62) under the Exchange Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Company (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating) or any announcement that the Company has been placed on negative outlook.

(c) The representations and warranties of the Company contained in this Agreement shall be true and correct on and as of the Applicable Time and on and as of the Closing Date as if made on and as of the Closing Date.

(d) The Representative shall have received (i) an opinion and negative assurance letter of Latham & Watkins LLP, counsel for the Company, in form and substance reasonably satisfactory to the Representative, to the effect set forth in Exhibit A hereto and to such further effect as counsel to the Purchasers may reasonably request, (ii) an opinion of Andrews Kurth LLP, counsel for the Company, in form and substance reasonably satisfactory to the Representative, to the effect set forth in Exhibit B hereto and to such further effect as counsel to the Purchasers may reasonably request, (iii) an opinion of Fulbright & Jaworski L.L.P., regulatory counsel for the Company, in form and substance reasonably satisfactory to the Representative, to the effect set forth in Exhibit C hereto and to such further effect as counsel to the Purchasers may reasonably request and (iv) an opinion of Ottinger Hebert, L.L.C., Louisiana counsel for the Company, in form and substance reasonably satisfactory to the Representative, to the effect set forth in Exhibit D hereto and to such further effect as counsel to the Purchasers may reasonably request. Such opinions and letter shall be dated as of the Closing Date and rendered to the Purchasers at the request of the Company and shall so state therein.

(e) The Representative shall have received from Skadden, Arps, Slate, Meagher & Flom LLP, counsel for the Purchasers, such opinion or opinions, dated the Closing Date, with respect to such matters as the Representative may require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(f) The Representative shall have received a certificate, dated the Closing Date, of an executive officer of the Company and a principal financial or accounting officer of the Company in which such officers, to the best of their knowledge after reasonable investigation, shall state to the effect set forth in 7(b)(ii) and that the representations and warranties of the Company in this Agreement were true and correct as of the Applicable Time and are true and correct as of the Closing Date, that the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date, that, subsequent to the date of the most recent financial statements in the General Disclosure Package, there has been no material adverse change in the financial condition, results of operations, business or properties of the Company except as set forth in the General Disclosure Package or as described in such certificate.

(g) The Company shall have executed and delivered the Supplemental Indentures, in form and substance reasonably satisfactory to the Representative, and the Representative shall have received executed copies thereof.

(h) The Company shall have executed and delivered the Registration Rights Agreement, in form and substance reasonably satisfactory to the Representative, and the Representative shall have received executed copies thereof.

(i) On or prior to the Closing Date, copies of the Financing Documents (other than the Indenture and the Notes) in the forms as previously delivered to the Purchasers or their counsel, shall be in full force and effect, no default or event of default (as such terms are defined in each such Financing Document) under any Financing Document shall have occurred and be continuing which would reasonably be expected to have a Material Adverse Effect.

(j) The Independent Engineer shall have delivered the Independent Engineer's Report to the Purchasers and shall have consented to the references to it in the Preliminary Offering Memorandum and the Final Offering Circular and the inclusion of the Independent Engineer's Report in Appendix A to each; and since the date of the Independent Engineer's Report, nothing has come to the attention of the Independent Engineer in connection with the preparation of the Independent Engineer's Report which would cause the Independent Engineer to believe that the Independent Engineer's Report, as of its date, or any of the statements in the Preliminary Offering Memorandum and the Final Offering Circular specifically attributed to the Independent Engineer, as of the date of the Preliminary Offering Memorandum and the Final Offering Circular, were inaccurate or misleading in any material respect, as evidenced by a certificate of an authorized representative of the Independent Engineer, dated the Closing Date, confirming the matters set forth in this paragraph in form and substance reasonably satisfactory to the Representative.

(k) The Insurance Consultant shall have delivered the Insurance Consultant's Report to the Purchasers.

(l) The Market Consultant shall have delivered the Market Consultant's Report to the Purchasers and shall have consented to the references to it in the Preliminary Offering Memorandum and the Final Offering Circular and the inclusion of the Market Consultant's Report in Appendix B to each; and since the date of the Market Consultant's Report, nothing has come to the attention of the Market Consultant in connection with the preparation of the Market Consultant's Report which would cause the Market Consultant to believe that the Market Consultant's Report, as of its date, or any of the statements in the Preliminary Offering Memorandum and the Final Offering Circular specifically attributed to the Market Consultant, as of the date of the Preliminary Offering Memorandum and the Final Offering Circular, were inaccurate or misleading in any material respect, as evidenced by a certificate of an authorized representative of the Market Consultant, dated the Closing Date, confirming the matters set forth in this paragraph in form and substance reasonably satisfactory to the Representative.

(m) The Representative shall have received for its own account all fees due and payable to the Representative pursuant to this Agreement and all such costs and expenses for which invoices have been presented (collectively, the "**Closing Date Transaction Costs**"). All such amounts will be paid with proceeds of the Notes and will be reflected in the funding instructions given by the Company to the Purchasers on or before the Closing Date.

(n) The sale of the Notes shall not be enjoined (temporarily or permanently) on the Closing Date.

(o) On or before the Closing Date, the Representative and Skadden, Arps, Slate, Meagher & Flom LLP shall have received such information, documents and letters as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Notes as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

(p) The Trustee shall have received an opinion of Latham & Watkins LLP, counsel for the Company, in form and substance reasonably satisfactory to the Trustee.

The Company will furnish the Representative with such conformed copies of such opinions, certificates, letters and documents as the Representative reasonably request. If any condition specified in this Section 7 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representative by notice to the Company at any time on or prior to the Closing Date, which termination shall be without liability on the part of any party to any other party, except that Sections 5(j), 8 and 12 hereof shall at all times be effective and shall survive such termination.

8. *Indemnification and Contribution.*

(a) The Company will indemnify and hold harmless each Purchaser, its partners, members, directors, officers, employees, agents, affiliates and each person, if any, who controls such Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, an “**Indemnified Party**”), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Preliminary Offering Circular or the Final Offering Circular, in each case as amended or supplemented, or any Issuer Free Writing Communication (including without limitation, any Supplemental Marketing Material), or arise out of or are based upon the omission or alleged omission of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating, preparing or defending against any such loss, claim, damage, liability or action as such expenses are incurred; *provided, however*, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by any Purchaser specifically for use therein, it being understood and agreed that the only such information consists of the information described as such in subsection (b) below.

(b) Each Purchaser will severally and not jointly indemnify and hold harmless each of the Company, its directors, its officers and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, a “**Purchaser Indemnified Party**”), against any losses, claims, damages or liabilities to which such Purchaser Indemnified Party may become subject, under the Securities Act, the Exchange Act, or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Preliminary Offering Circular or the Final Offering Circular, in each case as amended or supplemented, or any Issuer Free Writing Communication or arise out of or are based upon the omission or the alleged omission of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Purchaser specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by such Purchaser Indemnified Party in connection with investigating, preparing or defending against any such loss, claim, damage, liability or action as such expenses are incurred, it being understood and agreed that the only such information furnished by any Purchaser consists of the following information in the Preliminary Offering Circular and the Final Offering Circular: the names of the Purchasers on the cover page and under the heading “Plan of Distribution;” the information in (i) the first sentence of the third paragraph, (ii) the first, second, third, fourth, fifth, eighth and ninth sentences of the seventh paragraph, (iii) the third sentence of the eighth paragraph; (iv) the third, seventh and ninth sentences of the ninth paragraph; (v) the following language from the sixth sentence of the ninth

paragraph: “and certain of those initial purchasers or their affiliates that have a lending relationship with us, CQP or Cheniere routinely hedge, and certain other of those initial purchasers or their affiliates may hedge, their credit exposure to us, CQP or Cheniere consistent with their customary risk management policies”; and (vi) the first sentence of the tenth paragraph, under the heading “Plan of Distribution;” *provided, however*, that the Purchasers shall not be liable for any losses, claims, damages or liabilities arising out of or based upon the Company’s failure to perform its obligations under Section 5(a) of this Agreement.

(c) Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. In any such proceeding, Morgan Stanley & Co. LLC shall have the right to retain counsel to represent jointly the Purchasers, but the fees and expenses of such counsel shall be at the expense of such Purchasers unless (i) the Company and the Purchasers shall have mutually agreed to the retention of such counsel, (ii) the Company has failed within a reasonable time to retain counsel reasonably satisfactory to the Purchasers, (iii) the Purchasers shall have reasonably concluded and have been advised by counsel that there may be legal defenses available to them that are different from or in addition to those available to the Company, or (iv) the named parties to any such proceeding (including any impleaded parties) include both the Company and the Purchasers and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. Such firm shall be designated in writing by Morgan Stanley & Co. LLC, in the case of parties indemnified pursuant to Section 8(a), and by the Company, in the case of parties indemnified pursuant to Section 8(b). No indemnifying party shall, without the prior written consent of the indemnified party, which consent shall not be unreasonably withheld or delayed, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Purchasers on the other from the offering of the Notes or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Purchasers on the other in connection with

the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Purchasers on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company from the sale of the Notes, on the one hand, bear to the total discounts and commissions received by the Purchasers from the Company under this Agreement, on the other hand. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Purchaser shall be required to contribute any amount in excess of the amount by which the total price at which the Notes purchased by it were resold exceeds the amount of any damages which such Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Purchasers' obligations in this subsection (d) to contribute are several in proportion to their respective purchase obligations and not joint. The Company and the Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation (even if the Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(d).

(e) The obligations of the Company under this Section shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Purchaser within the meaning of the Securities Act or the Exchange Act; and the obligations of the Purchasers under this Section shall be in addition to any liability which the Purchasers may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act.

(f) The indemnity and contribution provisions contained in this Section and the representations, warranties and other statements of the Company contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Purchaser, any person controlling any Purchaser or any affiliate of any Purchaser or by or on behalf of the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the Notes.

9. *Termination.* The Representative may terminate this Agreement by notice given by you to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally shall have been suspended or materially limited on, or by, as the case may be, any of the New York Stock Exchange, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over the counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by Federal or New York State authorities or (v) any attack on, outbreak or escalation of hostilities or act of terrorism involving the United States, any declaration of war by Congress or any other national or international calamity or emergency such that, in each case, in the reasonable judgment of the Representative, makes it impracticable or inadvisable to proceed with the offer, sale or delivery of the Notes on the terms and in the manner contemplated in the General Disclosure Package or the Final Offering Circular.

10. *Default of Purchasers.* If any Purchaser or Purchasers default in their obligations to purchase Notes hereunder on the Closing Date and the aggregate principal amount of the Notes that such defaulting Purchaser or Purchasers agreed but failed to purchase does not exceed 10% of the total principal amount of the Notes, the Representative may make arrangements satisfactory to the Company for the purchase of such Notes by other persons, including any of the Purchasers, but if no such arrangements are made by such Closing Date, the non-defaulting Purchasers shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the Notes that such defaulting Purchasers agreed but failed to purchase on the Closing Date. If any Purchaser or Purchasers so default and the aggregate principal amount of Notes with respect to which such default or defaults occur exceeds 10% of the total principal amount of the Notes that Purchasers are required to purchase on the Closing Date and arrangements satisfactory to the Representative and the Company for the purchase of such Notes by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Purchaser or the Company, except as provided in Section 10. As used in this Agreement, the term "Purchaser" includes any person substituted for a Purchaser under this Section. Nothing herein will relieve a defaulting Purchaser from liability for its default.

11. *Survival of Certain Representations and Obligations.* The indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the Purchasers set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Purchaser, the Company or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Notes. If the Company shall, in its sole discretion, fail or refuse to sell the Notes to the Purchasers, the Company will reimburse the Representative for all out-of-pocket expenses (including reasonable fees and disbursements of counsel) reasonably incurred by it pursuant to the terms of this Agreement in connection with the offering of the Notes.

12. *Notices.* All communications hereunder will be in writing and, if sent to the Purchasers will be mailed, delivered or telegraphed and confirmed to the Representative, c/o Morgan Stanley & Co. LLC, 1585 Broadway, New York, New York 10036, Attention: High Yield Syndicate Desk, or, if sent to the Company, will be mailed, delivered or telegraphed and confirmed to it at Sabine Pass Liquefaction, LLC, 700 Milam Street, Suite 800, Houston, Texas 77002, Attention: Chief Financial Officer; *provided, however,* that any notice to a Purchaser pursuant to Section 8 will be mailed, delivered or telegraphed and confirmed to such Purchaser.

13. *Successors.* This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 8, and no other person will have any right or obligation hereunder, except that holders of Notes shall be entitled to enforce the agreements for their benefit contained in the second and third sentences of Section 5(b) hereof against the Company as if such holders were parties thereto.

14. *Representation of Purchasers.* You will act for the several Purchasers in connection with the transaction contemplated by this Agreement, and any action under this Agreement taken by the Representative will be binding upon all the Purchasers.

15. *Counterparts.* This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.

16. *Absence of Fiduciary Relationship.* The Company acknowledges and agrees that:

(a) The Representative has been retained solely to act as initial purchaser in connection with the initial purchase, offering and resale of the Notes and that no fiduciary, advisory or agency relationship between the Company and the Representative has been created in respect of any of the transactions contemplated by this Agreement or the Preliminary Offering Circular or the Final Offering Circular, irrespective of whether the Representative has advised or is advising the Company on other matters;

(b) The purchase price of the Notes set forth in this Agreement was established by the Company following discussions and arms-length negotiations with the Representative and the Company, and the Company is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement;

(c) The Company has been advised that the Representative and its affiliates are engaged in a broad range of transactions which may involve interests that differ from those of the Company and that the Representative has no obligation to disclose such interests and transactions to the Company by virtue of any fiduciary, advisory or agency relationship; and

(d) The Company waives, to the fullest extent permitted by law, any claims it may have against the Representative for breach of fiduciary duty or alleged breach of fiduciary duty arising out of the transactions contemplated by this Agreement and agrees that the Representative shall have no liability (whether direct or indirect) to the Company in respect of such a fiduciary duty claim or to any person asserting such fiduciary duty claim on behalf of or in right of the Company, including stockholders, employees or creditors of the Company.

17. *Partial Unenforceability.* The invalidity or unenforceability of any section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other section, paragraph or provision hereof. If any section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes) as are necessary to make it valid and enforceable.

18. *Entire Agreement.* This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the Notes, represents the entire agreement between the Company and the Purchasers with respect to the preparation of the Preliminary Offering Circular, the General Disclosure Package, the Final Offering Circular, the conduct of the offering, and the purchase and sale of the Notes. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Purchasers, or any of them, with respect to the subject matter hereof.

19. *Applicable Law.* This Agreement and any claim, controversy or dispute occurring under or related to this Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

20. *Submission to Jurisdiction.* The Company hereby submits to the exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. Any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby ("**Related Proceedings**") may be instituted in the federal courts of the United States of America located in the City and County of New York or the courts of the State of New York in each case located in the City and County of New York (collectively, the "**Specified Courts**"), and each party irrevocably submits to the exclusive jurisdiction (except for suits, actions, or proceedings instituted in regard to the enforcement of a judgment of any Specified Court in a Related Proceeding (a "**Related Judgment**"), as to which such jurisdiction is non-exclusive) of the Specified Courts in any Related Proceeding. Service of any process, summons, notice or document by mail to such party's address set forth above shall be effective service of process for any Related Proceeding brought in any Specified Court. The parties irrevocably and unconditionally waive any objection to the laying of venue of any Specified Proceeding in the Specified Courts and irrevocably and unconditionally waive and agree not to plead or claim in any Specified Court that any Related Proceeding brought in any Specified Court has been brought in an inconvenient forum.

1. Neither (a) the execution and delivery by the Issuer of the Opinion Documents, nor (b) the incurrence or performance by each Opinion Party of its obligations under each of the Louisiana Documents to which it is a party, violates any Applicable Law of the State of Louisiana.

2. Neither (a) the execution and delivery by the Issuer of the Opinion Documents, nor (b) the incurrence or performance by each Opinion Party of its obligations under each of the Louisiana Documents to which it is a party requires the consent, approval, licensing, or authorization of, or any filing, recording or registration with any governmental authority under the applicable laws of the State of Louisiana except for those consents, approvals, licenses, authorizations filings, recordings and registrations which have already been obtained or made.

3. Each of the Notarial Assignment and the Mortgage constitute the valid and binding obligation of the Opinion Party signatory thereto, enforceable against such party in accordance with its terms under the laws of the State of Louisiana except as the enforceability thereof may be limited or affected by bankruptcy, insolvency, reorganization, liquidation, arrangement, respite, fraudulent or preferential conveyance, moratorium or other similar laws relating to the enforcement of creditors' rights generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

4. The Mortgage is in the proper form required (and has been received and accepted) for filing in the office of the Clerk of Court and *Ex-Officio* Recorder of Mortgages for Cameron Parish, Louisiana. The due recordation of the Mortgage with such office created, as security for the payment and performance of the Obligations, a valid and perfected lien of record on the immovable property validly described therein to the extent owned by Mortgagor therein on the date of such recordation. We express no opinion as to the enforceability of the Mortgage by way of executory process.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants contained herein and in the Indenture and for other good and valuable consideration, the receipt and sufficiency of which are herein acknowledged, the Company and the Trustee hereby agree, for the equal and ratable benefit of all Holders, as follows:

ARTICLE 1 INTERPRETATION

Section 1.01 *To Be Read With the Original Indenture.*

This Second Supplemental Indenture is supplemental to the Original Indenture, and the Original Indenture and this Second Supplemental Indenture shall hereafter be read together and shall have effect, so far as practicable, with respect to the 5.625% 2023 Notes (as defined below) as if all the provisions of the Original Indenture and this Second Supplemental Indenture were contained in one instrument.

ARTICLE 2
ADDITIONAL NOTES

Section 2.01 *The Additional Notes*

Pursuant to Section 2.01(d) of the Original Indenture, the Company hereby creates and issues a series of Notes designated as “5.625% Senior Secured Notes due 2023,” initially limited in aggregate principal amount to \$1,000,000,000 (the “5.625% 2023 Notes”); *provided that* the Company may, at any time and from time to time, create and issue additional 5.625% 2023 Notes in an unlimited principal amount which will be part of the same series as the 5.625% 2023 Notes and which will have the same terms (except for the issue date, issue price and, in some cases, the first Interest Payment Date) as the 5.625% 2023 Notes. Interest on the 5.625% 2023 Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from April 16, 2013. Section 2.04 *Execution and Authentication of the 5.625% 2023 Notes*

The Trustee shall, pursuant to an Authentication Order, authenticate the 5.625% 2023 Notes.

ARTICLE 3
REDEMPTION

Section 3.01 *Redemption*.

With respect to the 5.625% 2023 Notes, Section 3.07 of the Original Indenture shall be replaced in its entirety to read as follows:

“Section 3.07 Optional Redemption.

At any time or from time to time prior to January 15, 2023, the Company may, at its option, redeem all or a part of the 5.625% 2023 Notes and the Exchange Notes issued for the 5.625% 2023 Notes (collectively, the “5.625% 2023 Series Notes”), at a redemption price equal to the Make-Whole Price (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date, without duplication).

“*Make-Whole Price*” with respect to any 5.625% 2023 Series Notes to be redeemed, means an amount equal to the greater of:

- (1) 100% of the principal amount of such 5.625% 2023 Series Notes; and
- (2) the sum of the present values of the remaining scheduled payments of principal and interest from the redemption date to January 15, 2023 (not including any portion of such payments of interest accrued as of the redemption date) discounted back to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 50 basis points;

plus, in the case of both (1) and (2), accrued and unpaid interest on such 5.625% 2023 Series Notes, if any, to the redemption date.

“*Comparable Treasury Issue*” means, with respect to 5.625% 2023 Series Notes to be redeemed, the U.S. Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the 5.625% 2023 Series Notes being redeemed that would be utilized at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity; *provided* that if such period is less than one year, then the U.S. Treasury security having a maturity of one year shall be used.

“*Comparable Treasury Price*” means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such Reference Treasury Dealer Quotations as determined by the Company.

“*Independent Investment Banker*” means, with respect to any 5.625% 2023 Series Notes, Morgan Stanley & Co. LLC or any of its successors, or, if such firm or its successors, if any, as the case may be, are unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Company.

“*Reference Treasury Dealer*” means, with respect to any 5.625% 2023 Series Notes, each of Morgan Stanley & Co. LLC and four additional primary Government Securities dealers in New York City (each a “*Primary Treasury Dealer*”) selected by the Company, and their respective successors; *provided, however*, that if such firm or any such successor, as the case may be, shall cease to be a primary Government Securities dealer in New York City, the Company will substitute therefor another Primary Treasury Dealer.

“*Reference Treasury Dealer Quotations*” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third Business Day preceding such redemption date.

“*Treasury Rate*” means, with respect to any redemption date, (1) the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15(159)” or any successor publication that is published weekly by the Board of Governors of the Federal Reserve System and that establishes yields on actively traded U.S. Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities,” for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or after the stated maturity, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined, and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding to the nearest month) or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date. The Treasury Rate shall be calculated on the third Business Day preceding the redemption date.

The notice of redemption with respect to the foregoing redemption need not set forth the Make-Whole Price but only the manner of calculation thereof. The Company will notify the Trustee of the Make-Whole Price with respect to any redemption promptly after the calculation, and the Trustee shall not be responsible for such calculation.

At any time on or after January 15, 2023, the Company may, at its option, redeem all or a part of the 5.625% 2023 Series Notes, at a redemption price equal to 100% of the principal amount of the 5.625% 2023 Series Notes to be redeemed, plus accrued and unpaid interest to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date, without duplication).”

(b) Each Holder of the 5.625% 2023 Notes, by its acceptance of the 5.625% 2023 Notes, ratifies and confirms the Accession Agreement, pursuant to which the Notes constitute additional New Secured Debt (as defined in the Accession Agreement) and Secured Debt that is *pari passu* with all other Secured Debt and secured by the Collateral equally and ratably with all other Secured Debt.

Section 4.02 *Governing Law.*

THE LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS FIRST SUPPLEMENTAL INDENTURE, THE 5.625% 2023 NOTES AND ANY NOTE GUARANTEES RELATED TO THE 5.625% 2023 NOTES WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES THEREOF OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

(5) *OPTIONAL REDEMPTION.*

At any time or from time to time prior to January 15, 2023, the Company may, at its option, redeem all or a part of the 5.625% 2023 Series Notes, at a redemption price equal to the Make-Whole Price (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date, without duplication).

“*Make-Whole Price*” with respect to any 5.625% 2023 Series Notes to be redeemed, means an amount equal to the greater of:

- (1) 100% of the principal amount of such 5.625% 2023 Series Notes; and
- (2) the sum of the present values of the remaining scheduled payments of principal and interest from the redemption date to January 15, 2023 (not including any portion of such payments of interest accrued as of the redemption date) discounted back to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 50 basis points;

plus, in the case of both (1) and (2), accrued and unpaid interest on such 5.625% 2023 Series Notes, if any, to the redemption date.

“*Comparable Treasury Issue*” means, with respect to 5.625% 2023 Series Notes to be redeemed, the U.S. Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the 5.625% 2023 Series Notes being redeemed that would be utilized at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity; *provided* that if such period is less than one year, then the U.S. Treasury security having a maturity of one year shall be used.

“*Comparable Treasury Price*” means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such Reference Treasury Dealer Quotations as determined by the Company.

“*Independent Investment Banker*” means, with respect to any 5.625% 2023 Series Notes, Morgan Stanley & Co. LLC or any of its successors, or, if such firm or its successors, if any, as the case may be, are unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Company.

“*Reference Treasury Dealer*” means, with respect to any 5.625% 2023 Series Notes, each of Morgan Stanley & Co. LLC and four additional primary Government Securities dealers in New York City (each a “*Primary Treasury Dealer*”) selected by the Company, and their respective successors; *provided, however*, that if such firm or any such successor, as the case may be, shall cease to be a primary Government Securities dealer in New York City, the Company will substitute therefor another Primary Treasury Dealer.

“*Reference Treasury Dealer Quotations*” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third Business Day preceding such redemption date.

“*Treasury Rate*” means, with respect to any redemption date, (1) the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15(159)” or any successor publication that is published weekly by the Board of Governors of the Federal Reserve System and that establishes yields on actively traded U.S. Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities,” for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or after the stated maturity, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined, and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding to the nearest month) or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date. The Treasury Rate shall be calculated on the third Business Day preceding the redemption date.

The notice of redemption with respect to the foregoing redemption need not set forth the Make-Whole Price but only the manner of calculation thereof. The Company will notify the Trustee of the Make-Whole Price with respect to any redemption promptly after the calculation, and the Trustee shall not be responsible for such calculation.

At any time on or after January 15, 2023, the Company may, at its option, redeem all or a part of the 5.625% 2023 Series Notes, at a redemption price equal to 100% of the principal amount of the 5.625% 2023 Series Notes to be redeemed, plus accrued and unpaid interest to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date, without duplication).

New York, New York 10036

Dear Sirs:

Sabine Pass Liquefaction, LLC a Delaware limited liability company (the “**Issuer**”), proposes to issue and sell to Morgan Stanley & Co. LLC and the initial purchasers named in Schedule A hereto (collectively, the “**Initial Purchasers**”), for whom Morgan Stanley & Co. LLC is acting as Representative, upon the terms set forth in a purchase agreement dated April 10, 2013 (the “**Purchase Agreement**”) by and among the Issuer and the Initial Purchasers, U.S.\$500,000,000 aggregate principal amount of its 5.625% Senior Secured Notes due 2021 (the “**2021 Notes**”) and U.S.\$1,000,000,000 aggregate principal amount of its 5.625% Senior Secured Notes due 2023 (the “**2023 Notes**”), and together with the 2021 Notes, the “**Initial Securities**”) to be unconditionally guaranteed (the “**Guaranties**”) by all of its future domestic restricted subsidiaries (such subsidiaries, if any, the “**Guarantors**” and, together with the Issuer, the “**Company**”). The Initial Securities will be issued pursuant to an indenture, dated as of February 1, 2013 (the “**Base Indenture**”), among the Issuer, any Guarantors that may become a party thereto and The Bank of New York Mellon, as trustee (the “**Trustee**”), as supplemented by a first supplemental indenture relating to the 2021 Notes that will be dated as of April 16, 2013 (the “**First Supplemental Indenture**”), and a second supplemental indenture relating to the 2023 Notes that will be dated as of April 16, 2013 (the “**Second Supplemental Indenture**”, and together with the First Supplemental Indenture, the “**Supplemental Indentures**”) (the Base Indenture, as supplemented by the Supplemental Indentures, the “**Indenture**”). As an inducement to the Initial Purchasers, the Company agrees with the Initial Purchasers, for the benefit of the holders of the Initial Securities (including, without limitation, the Initial Purchasers), the Exchange Securities (as defined below) and the Private Exchange Securities (as defined below) (collectively the “**Holders**”), as follows:

1. *Registered Exchange Offer.* The Company shall, at its own cost, prepare and use commercially reasonable efforts to file with the U.S. Securities and Exchange Commission (the “**Commission**”) a registration statement (the “**Exchange Offer Registration Statement**”) on an appropriate form under the U.S. Securities Act of 1933, as amended (the “**Securities Act**”), with respect to a proposed offer (the “**Registered Exchange Offer**”) to the Holders of Transfer Restricted Securities (as defined in Section 6 hereof), who are not prohibited by any law or policy of the Commission from participating in the Registered Exchange Offer, to issue and deliver to such Holders, in exchange for any and all of the 2021 Notes and any and all of the 2023 Notes, a like aggregate principal amount of debt securities (the “**Exchange Securities**”) of the Company issued under the Indenture and identical in all material respects to the respective Initial Securities (except for the transfer restrictions relating to the Initial Securities and the provisions relating to the matters described in Section 6 hereof) that would be registered under the Securities Act. The Company shall use commercially reasonable efforts to cause such Exchange Offer Registration Statement to become effective under the Securities Act within 295 days (or if the 295th day is not a business day, the first business day thereafter) after the date of original issuance of the Initial Securities (the “**Issue Date**”) and shall keep the Exchange Offer Registration Statement effective for not less than 20 business days (or longer, if required by applicable law) after the date notice of the Registered Exchange Offer is mailed to the Holders (such period being called the “**Exchange Offer Registration Period**”). The Company shall include the offer to exchange the 2021 Notes for the applicable Exchange Securities under the same exchange offer registration statement required to be filed pursuant to the

registration rights agreement, dated as of February 1, 2013, between the Company and Morgan Stanley & Co. LLC, with respect to the U.S. \$1,500,000,000 aggregate principal amount of its 5.625% Senior Secured Notes due 2021, issued on that date; the Company, at its option may file a separate exchange offer registration statement with respect to the 2023 Notes.

If the Company effects the Registered Exchange Offer, the Company will be entitled to close the Registered Exchange Offer 20 business days after the commencement thereof provided that the Company has accepted all the Initial Securities theretofore validly tendered in accordance with the terms of the Registered Exchange Offer.

Following the declaration of the effectiveness of the Exchange Offer Registration Statement, the Company shall promptly commence the Registered Exchange Offer, it being the objective of such Registered Exchange Offer to enable each Holder of Transfer Restricted Securities (as defined in Section 6 hereof) electing to exchange the Initial Securities for Exchange Securities (assuming that such Holder is not an affiliate of the Company within the meaning of the Securities Act, acquires the Exchange Securities in the ordinary course of such Holder's business and has no arrangements with any person to participate in the distribution of the Exchange Securities and is not prohibited by any law or policy of the Commission from participating in the Registered Exchange Offer) to trade such Exchange Securities from and after their receipt without any limitations or restrictions under the Securities Act and without material restrictions under the securities laws of the several states of the United States. The Company shall use commercially reasonable efforts to complete the Registered Exchange Offer on or before the 60th day after the Exchange Offer Registration Statement becomes effective under the Securities Act.

The Company acknowledges that, pursuant to current interpretations by the Commission's staff of Section 5 of the Securities Act, in the absence of an applicable exemption therefrom, (i) each Holder that is a broker-dealer electing to exchange Initial Securities, acquired for its own account as a result of market-making activities or other trading activities, for Exchange Securities (an "**Exchanging Dealer**"), is required to deliver a prospectus containing the information set forth in (a) Annex A hereto on the cover, (b) Annex B hereto in the "Exchange Offer Procedures" section and the "Purpose of the Exchange Offer" section, and (c) Annex C hereto in the "Plan of Distribution" section of such prospectus in connection with a sale of any such Exchange Securities received by such Exchanging Dealer pursuant to the Registered Exchange Offer and (ii) an Initial Purchaser that elects to sell Exchange Securities acquired in exchange for Initial Securities constituting any portion of an unsold allotment is required to deliver a prospectus containing the information required by Item 507 or 508 of Regulation S-K under the Securities Act, as applicable, in connection with such sale.

The Company shall use commercially reasonable efforts to keep the Exchange Offer Registration Statement effective and to amend and supplement the prospectus contained therein, in order to permit such prospectus to be lawfully delivered by all persons subject to the prospectus delivery requirements of the Securities Act for such period of time as such persons must comply with such requirements in order to resell the Exchange Securities; *provided, however*, that (i) in the case where such prospectus and any amendment or supplement thereto must be delivered by an Exchanging Dealer or an Initial Purchaser, such period shall be the lesser of 180 days and the date on which all Exchanging Dealers and the Initial Purchasers have sold all Exchange Securities held by them (unless such period is extended pursuant to Section 3(j) below) and (ii) the Company shall make such prospectus and any amendment or supplement thereto available to any broker-dealer for use in connection with any resale of any Exchange Securities for a period of not less than 90 days after the consummation of the Registered Exchange Offer.

If, upon consummation of the Registered Exchange Offer, any Initial Purchaser holds Initial Securities acquired by it as part of its initial distribution, the Company, simultaneously with the delivery of the Exchange Securities pursuant to the Registered Exchange Offer, shall issue and deliver to such Initial Purchaser upon the written request of such Initial Purchaser, in exchange (the "**Private Exchange**") for the Initial Securities held by such Initial Purchaser, a like principal amount of debt securities of the Company issued under the Indenture and identical in all material respects (including the existence of restrictions on transfer under the Securities Act and the securities laws of the several states of the United States, but excluding provisions relating to the matters described in Section 6 hereof) to the Initial Securities (the "**Private Exchange Securities**"). The Initial Securities, the Exchange Securities and the Private Exchange Securities are herein collectively called the "**Securities**".

In connection with the Registered Exchange Offer, the Company shall:

- (a) mail to each Holder a copy of the prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;
- (b) keep the Registered Exchange Offer open for not less than 20 business days (or longer, if required by applicable law) after the date notice thereof is mailed to the Holders;
- (c) utilize the services of a depository for the Registered Exchange Offer with an address in the Borough of Manhattan, The City of New York, which may be the Trustee or an affiliate of the Trustee;
- (d) permit Holders to withdraw tendered Securities at any time prior to the close of business, or 5 p.m., New York City time, on the last business day on which the Registered Exchange Offer shall remain open; and
- (e) otherwise comply with all applicable laws.

As soon as practicable after the close of the Registered Exchange Offer or the Private Exchange, as the case may be, the Company shall:

- (x) accept for exchange all the Initial Securities validly tendered and not withdrawn pursuant to the Registered Exchange Offer and the Private Exchange;
- (y) deliver to the Trustee for cancellation all the Initial Securities so accepted for exchange; and
- (z) cause the Trustee to authenticate and deliver promptly to each Holder of the Initial Securities, Exchange Securities or Private Exchange Securities, as the case may be, equal in principal amount to the Initial Securities of such Holder so accepted for exchange.

The Indenture will provide that the Exchange Securities will not be subject to the transfer restrictions set forth in the Indenture and, other than as described in Section 9.02 of the Indenture, that all the Securities will vote and consent together on all matters as one class and that none of the Securities will have the right to vote or consent as a class separate from one another on any matter.

Interest on each Exchange Security and Private Exchange Security issued pursuant to the Registered Exchange Offer and in the Private Exchange will accrue from the last interest payment date on which interest was paid on the Initial Securities surrendered in exchange therefor or, if no interest has been paid on the Initial Securities, from the Issue Date.

Each Holder participating in the Registered Exchange Offer shall be required to represent to the Company that at the time of the consummation of the Registered Exchange Offer (i) any Exchange Securities received by such Holder will be acquired in the ordinary course of business, (ii) such Holder will have no arrangements or understanding with any person to participate in the distribution of the Securities or the Exchange Securities within the meaning of the Securities Act, (iii) such Holder is not an "affiliate," as defined in Rule 405 under the Securities Act, of the Company or if it is an affiliate, such Holder will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable, (iv) if such Holder is not a broker-dealer, that it is not engaged in, and does not intend to engage in, the distribution of the Exchange Securities and (v) if such Holder is a broker-dealer, that it will receive Exchange Securities for its own account in exchange for Initial Securities that were acquired as a result of market-making activities or other trading activities and that it will be required to acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Securities.

Notwithstanding any other provisions hereof, the Company will ensure that (i) any Exchange Offer Registration Statement and any amendment thereto and any prospectus forming part thereof and any supplement thereto complies in all material respects with the Securities Act and the rules and regulations thereunder, (ii) any Exchange Offer Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) any prospectus forming part of any Exchange Offer Registration Statement, and any supplement to such prospectus, does not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

2. *Shelf Registration.* If, (i) the Company determines that it is not permitted to effect a Registered Exchange Offer, as contemplated by Section 1 hereof, under applicable law or applicable interpretations thereof by the staff of the Commission, (ii) the Registered Exchange Offer is not consummated on or prior to the 295th day after the Issue Date, or (iii) any Initial Purchaser notifies the Issuer in writing following the consummation of the Registered Exchange Offer that such Initial Purchaser holds Transfer Restricted Securities that are not eligible to be exchanged for Exchange Securities in the Registered Exchange Offer, the Company shall take the following actions:

(a) The Company shall, at its cost, prepare and file with the Commission and thereafter use commercially reasonable efforts to cause to be declared effective (unless it becomes effective automatically upon filing) a registration statement (the “**Shelf Registration Statement**” and, together with the Exchange Offer Registration Statement, a “**Registration Statement**”) on an appropriate form under the Securities Act relating to the offer and sale of the Transfer Restricted Securities (as defined in Section 6 hereof) by the Holders thereof from time to time in accordance with the methods of distribution set forth in the Shelf Registration Statement and Rule 415 under the Securities Act (hereinafter, the “**Shelf Registration**”); *provided, however*, that no Holder (other than an Initial Purchaser) shall be entitled to have the Securities held by it covered by such Shelf Registration Statement unless such Holder agrees in writing to be bound by all the provisions of this Agreement applicable to such Holder.

(b) The Company shall use commercially reasonable efforts to keep the Shelf Registration Statement continuously effective in order to permit the prospectus included therein to be lawfully delivered by the Holders of the relevant Securities for a period of one year (or for such longer period if extended pursuant to Section 3(j) below) from the Issue Date or such shorter period that will terminate when all the Securities covered by the Shelf Registration Statement (i) have been sold pursuant thereto or (ii) may be freely sold without volume restrictions by non-affiliates pursuant to Rule 144 under the Securities Act, or any successor rule thereof, or otherwise transferred in a manner that results in (A) the Securities not being subject to transfer restrictions under the Securities Act and (B) the absence of a need for a restrictive legend regarding registration and the Securities Act (assuming for the purpose that the Holders thereof are not affiliates of the Company) (such period being called the “**Shelf Registration Period**”).

(c) Notwithstanding any other provisions of this Agreement to the contrary, the Company shall cause the Shelf Registration Statement and the related prospectus and any amendment or supplement thereto, as of its respective effective date, (i) to comply in all material respects with the applicable requirements of the Securities Act and the rules and regulations of the Commission and (ii) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein (in the case of the prospectus in light of the circumstances under which they were made), not misleading.

3. *Registration Procedures.* In connection with any Shelf Registration contemplated by Section 2 hereof and, to the extent applicable, any Registered Exchange Offer contemplated by Section 1 hereof, the following provisions shall apply:

(a) The Company shall (i) furnish to each Initial Purchaser, prior to the filing thereof with the Commission, a copy of the Registration Statement and each amendment thereof and each supplement, if any, to the prospectus included therein and, in the event that an Initial Purchaser (with respect to any portion of an unsold allotment from the original offering) is participating in the Registered Exchange Offer or the Shelf Registration, the Company shall use commercially reasonable efforts to reflect in each such document, when so filed with the Commission, such comments as such Initial Purchaser reasonably may propose, *provided* that such comments are received by the Issuer within ten business days after the receipt by such Initial Purchaser of such document; (ii) include the information set forth in Annex A hereto on the cover, in Annex B hereto in the “Exchange Offer Procedures” section and the “Purpose of the Exchange Offer” section and in Annex C hereto in the “Plan of Distribution” section of the prospectus forming a part of the Exchange Offer Registration Statement and include the information set forth in Annex D hereto in the Letter of Transmittal delivered pursuant to the Registered Exchange Offer; (iii) if requested by an Initial Purchaser, include the information required by Item 507 or 508 of Regulation S-K under the Securities Act, as applicable, in the prospectus forming a part of the Exchange Offer Registration Statement; (iv) include within the prospectus contained in the Exchange Offer Registration Statement a section entitled “Plan of Distribution,” reasonably acceptable to the Initial Purchasers, which shall contain a summary statement of the positions taken or policies made by the staff of the Commission with respect to the potential “underwriter” status of any broker-dealer that is the beneficial owner (as defined in Rule 13d-3 under the U.S. Securities Exchange Act of 1934, as amended (the “**Exchange Act**”)) of Exchange Securities received by such broker-dealer in the Registered Exchange Offer (a “**Participating Broker-Dealer**”), whether such positions or policies have been publicly disseminated by the staff of the Commission or such positions or policies, in the reasonable judgment of the Initial Purchasers based upon advice of counsel (which may be in-house counsel), represent the prevailing views of the staff of the Commission; and (v) in the case of a Shelf Registration Statement, include in the prospectus included in the Shelf Registration Statement (or, if permitted by Rule 430B(b) under the Securities Act, in a prospectus supplement that becomes a part thereof pursuant to Rule 430B(f) under the Securities Act) that is delivered to any Holder pursuant to Sections 3(d) and (f) hereof, the names of the Holders who propose to sell Securities pursuant to the Shelf Registration Statement, as selling securityholders.

(b) The Company shall give written notice to the Initial Purchasers, the Holders of the Securities and any Participating Broker-Dealer from whom the Issuer has received prior written notice that it will be a Participating Broker-Dealer in the Registered Exchange Offer (which notice pursuant to clauses (ii)-(v) hereof shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made):

(i) when the Registration Statement or any amendment thereto has been filed with the Commission and when the Registration Statement or any post-effective amendment thereto has become effective;

(ii) of any request by the Commission for amendments or supplements to the Registration Statement or the prospectus included therein or for additional information;

(iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose, of the issuance by the Commission of a notification of objection to the use of the form on which the Registration Statement has been filed, and of the happening of any event that causes the Company to become an “ineligible issuer,” as defined in Rule 405 under the Securities Act;

(iv) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and

(v) except to the extent otherwise incorporated therein by reference, of the happening of any event that requires the Company to make changes in the Registration Statement or the prospectus in order that the Registration Statement or the prospectus do not contain an untrue statement of a material fact nor omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the prospectus, in light of the circumstances under which they were made) not misleading.

(c) The Company shall use commercially reasonable efforts to obtain the withdrawal at the earliest possible time of any order suspending the effectiveness of the Registration Statement.

(d) To the extent not available on the Commission's web site at www.sec.gov, the Company shall furnish to each Holder of Securities named in the Shelf Registration, without charge, at least one copy of the Shelf Registration Statement and any post-effective amendment or supplement thereto, including financial statements and schedules, and, if the Holder so requests in writing, all exhibits thereto (including those, if any, incorporated by reference). The Company shall not, without the prior consent of the Initial Purchasers, make any offer relating to the Securities that would constitute a "free writing prospectus," as defined in Rule 405 under the Securities Act.

(e) To the extent not available on the Commission's web site at www.sec.gov, the Company shall deliver to each Exchanging Dealer and each Initial Purchaser, and to any other Holder who so requests in writing, without charge, at least one copy of the Exchange Offer Registration Statement and any post-effective amendment thereto, including financial statements and schedules, and, if any Initial Purchaser or any such Holder requests in writing, all exhibits thereto (including those incorporated by reference).

(f) The Company shall, during the Shelf Registration Period, deliver to each Holder of the Securities included within the coverage of the Shelf Registration, without charge, as many copies of the prospectus (including each preliminary prospectus) included in the Shelf Registration Statement and any amendment or supplement thereto as such person may reasonably request in writing. The Company consents, subject to the provisions of this Agreement, to the use of the prospectus or any amendment or supplement thereto by each of the selling Holders of the Securities in connection with the offering and sale of the Securities covered by the prospectus, or any amendment or supplement thereto, included in the Shelf Registration Statement.

(g) The Company shall deliver to each Initial Purchaser, any Exchanging Dealer, any Participating Broker-Dealer and such other persons required to deliver a prospectus following the Registered Exchange Offer, without charge, as many copies of the final prospectus included in the Exchange Offer Registration Statement and any amendment or supplement thereto as such persons may reasonably request in writing. The Company consents, subject to the provisions of this Agreement, to the use of the prospectus or any amendment or supplement thereto by any Initial Purchaser, if necessary, any Participating Broker-Dealer and such other persons required to deliver a prospectus following the Registered Exchange Offer in connection with the offering and sale of the Exchange Securities covered by the prospectus, or any amendment or supplement thereto, included in such Exchange Offer Registration Statement.

(h) Prior to any public offering of the Securities, pursuant to any Registration Statement, the Company shall use commercially reasonable efforts to register or qualify or cooperate with the Holders of the Securities included therein and their respective counsel in connection with the registration or qualification of the Securities for offer and sale under the securities or "blue sky" laws of such states of the United States as any Holder of the Securities reasonably requests in writing and do any and all other acts or things reasonably necessary or advisable to enable the offer and sale in such jurisdictions of the Securities covered by such Registration Statement; *provided, however*, that the Company shall not be required to (i) qualify generally to do business in any jurisdiction where it is not then so qualified or (ii) take any action which would subject it to general service of process or to taxation in any jurisdiction where it is not then so subject.

(i) The Company shall cooperate with the Holders of the Securities to facilitate the timely preparation and delivery of certificates representing the Securities to be sold pursuant to any Registration Statement free of any restrictive legends and in such denominations and registered in such names as the Holders may request a reasonable period of time prior to sales of the Securities pursuant to such Registration Statement.

(j) Upon the occurrence of any event contemplated by paragraphs (ii) through (v) of Section 3(b) above during the period for which the Company is required to maintain an effective Registration Statement, the Company shall promptly prepare and file a post-effective amendment to the Registration Statement or a supplement to the related prospectus and any other required document so that, as thereafter delivered to Holders of the Securities or purchasers of Securities, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Initial Purchasers, the Holders of the Securities and any known Participating Broker-Dealer in accordance with paragraphs (ii) through (v) of Section 3(b) above to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the Initial Purchasers, the Holders of the Securities and any such Participating Broker-Dealers shall suspend use of such prospectus, and the period of effectiveness of the Shelf Registration Statement provided for in Section 2(b) above and the Exchange Offer Registration Statement provided for in Section 1 above shall each be extended by the number of days from and including the date of the giving of such notice to and including the date when the Initial Purchasers, the Holders of the Securities and any known Participating Broker-Dealer shall have received such amended or supplemented prospectus pursuant to this Section 3(j). During the period during which the Company is required to maintain an effective Shelf Registration Statement pursuant to this Agreement, the Company will prior to the three-year expiration of that Shelf Registration Statement file, use commercially reasonable efforts to cause to be declared effective (unless it becomes effective automatically upon filing) within a period that avoids any interruption in the ability of Holders of the Securities covered by the expiring Shelf Registration Statement to make registered dispositions, a new registration statement relating to the Securities, which shall be deemed the "Shelf Registration Statement" for purposes of this Agreement.

(k) Not later than the effective date of the applicable Registration Statement, the Company will provide a CUSIP number for the Initial Securities, the Exchange Securities or the Private Exchange Securities, as the case may be, and provide the applicable trustee with printed certificates for the Initial Securities, the Exchange Securities or the Private Exchange Securities, as the case may be, in a form eligible for deposit with The Depository Trust Company.

(l) The Company will comply with all rules and regulations of the Commission to the extent and so long as they are applicable to the Registered Exchange Offer or the Shelf Registration and will make generally available to its securityholders (or otherwise provide in accordance with Section 11(a) of the Securities Act) an earning statement satisfying the provisions of Section 11(a) of the Securities Act, no later than 45 days after the end of a 12-month period (or 90 days, if such period is a fiscal year) beginning with the first month of the Issuer's first fiscal quarter commencing after the effective date of the Registration Statement, which statement shall cover such 12-month period.

(m) The Company shall cause the Indenture to be qualified under the Trust Indenture Act of 1939, as amended (the "**Trust Indenture Act**"), in a timely manner and containing such changes, if any, as shall be necessary for such qualification. In the event that such qualification would require the appointment of a new trustee under the Indenture, the Company shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(n) The Company may require each Holder of the Securities to be sold pursuant to the Shelf Registration Statement to furnish to the Company such information regarding the Holder and the distribution of the Securities as the Company may from time to time reasonably require for inclusion in the Shelf Registration Statement, and the Company may exclude from such registration the Securities of any Holder that unreasonably fails to furnish such information within a reasonable time after receiving such request.

(o) The Company shall enter into such customary agreements (including, if requested, an underwriting agreement in customary form) and take all such other action, if any, as any Holder of the Securities shall reasonably request in order to facilitate the disposition of the Securities pursuant to any Shelf Registration.

(p) In the case of any Shelf Registration, the Company shall (i) make reasonably available for inspection by the Holders of the Securities, any underwriter participating in any disposition pursuant to the Shelf Registration Statement and any attorney, accountant or other agent retained by the Holders of the Securities or any such underwriter all relevant financial and other records, pertinent corporate documents and properties of the Company and (ii) cause the Company's officers, directors, employees, accountants and auditors to supply all relevant information reasonably requested by the Holders of the Securities or any such underwriter, attorney, accountant or agent in connection with the Shelf Registration Statement, in each case, as shall be reasonably necessary to enable such persons, to conduct a reasonable investigation within the meaning of Section 11 of the Securities Act; *provided, however*, that the foregoing inspection and information gathering shall be coordinated by the Initial Purchasers and on behalf of the other parties, by one counsel designated by and on behalf of such other parties as described in Section 4 hereof; *provided, further*, that, if the Company designates in writing any such information, reasonably and in good faith, as confidential, at the time of delivery of such information, each such person will be required to agree or acknowledge that information obtained by it as a result of such inspections shall be deemed confidential and shall not be used by it as the basis for any market transactions in the securities of the Company or otherwise unless and until such is made generally available to the public through no fault or action of such person.

(q) In the case of any Shelf Registration, the Company, if requested by any Holder of the Securities covered thereby, shall cause (i) its counsel to deliver an opinion and updates thereof relating to the Securities substantially in the form provided pursuant to Section 7(d) of the Purchase Agreement with such changes as are customary in connection with the preparation of a Registration Statement addressed to such Holders and the managing underwriters, if any, thereof and dated, in the case of the initial opinion, the effective date of such Shelf Registration Statement, (ii) its officers to execute and deliver all customary documents and certificates and updates thereof requested by any underwriters of the applicable Securities, dated the date of the closing of such offering of such Securities, and (iii) its independent public accountants to provide to the selling Holders of the applicable Securities and any underwriter therefor a comfort letter dated the date of the closing of such offering of such Securities, in customary form and covering matters of the type customarily covered in comfort letters in connection with primary underwritten offerings, subject to receipt of appropriate documentation as contemplated, and only if permitted, by Statement on Auditing Standards No. 72.

(r) If a Registered Exchange Offer or a Private Exchange is to be consummated, upon delivery of the Initial Securities by Holders to the Issuer (or to such other Person as directed by the Issuer) in exchange for the Exchange Securities or the Private Exchange Securities, as the case may be, the Company shall mark, or caused to be marked, on the Initial Securities so exchanged that such Initial Securities are being canceled in exchange for the Exchange Securities or the Private Exchange Securities, as the case may be, and in no event shall the Initial Securities be marked as paid or otherwise satisfied.

(s) The Company will use commercially reasonable efforts to confirm that the rating of the Initial Securities obtained prior to the initial sale of such Initial Securities will also apply to the Securities covered by a Registration Statement.

(t) In the event that any broker-dealer registered under the Exchange Act shall underwrite any Securities or participate as a member of an underwriting syndicate or selling group or “assist in the distribution” (within the meaning of the Rules (the “**Rules**”) of the Financial Industry Regulatory Authority, Inc. (“**FINRA**”)) thereof, whether as a Holder of such Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, the Company will assist such broker-dealer in complying with the requirements of such Rules, including, without limitation, by (i) if such Rules, including Rule 5121, shall so require, engaging a “qualified independent underwriter” (as defined in Rule 5121) to participate in the preparation of the Registration Statement relating to such Securities, to exercise usual standards of due diligence in respect thereto and, if any portion of the offering contemplated by such Registration Statement is an underwritten offering or is made through a placement or sales agent, to recommend the yield of such Securities, (ii) indemnifying any such qualified independent underwriter to the extent of the indemnification of underwriters provided in Section 5 hereof and (iii) providing such information to such broker-dealer as may be required in order for such broker-dealer to comply with the requirements of the Rules.

(u) So long as any Transfer Restricted Securities remain outstanding, the Issuer shall cause each restricted domestic subsidiary of the Issuer that executes a guarantee of the Notes under the Indenture (each a “**Guarantor**”) upon the creation or acquisition of such Guarantor to execute a counterpart to this Agreement in the form attached hereto as Annex E and to deliver such counterpart, together with an opinion of counsel as to the enforceability thereof against such entity, to the Initial Purchasers no later than five Business Days following the execution thereof.

(v) The Company shall use commercially reasonable efforts to take all other steps necessary to effect the registration of the Securities covered by a Registration Statement contemplated hereby.

4. *Registration Expenses.* The Company shall bear all fees and expenses incurred in connection with the performance of its obligations under Sections 1 through 3 hereof (including the reasonable fees and expenses, if any, of Skadden Arps Slate Meagher & Flom LLP, counsel for the Initial Purchasers, incurred in connection with the Registered Exchange Offer), whether or not the Registered Exchange Offer or a Shelf Registration is filed or becomes effective, and, in the event of a Shelf Registration, shall bear or reimburse the Holders of the Securities covered thereby for the reasonable fees and disbursements of one firm of counsel designated by the Holders of a majority in principal amount of the Initial Securities covered thereby to act as counsel for the Holders of the Initial Securities in connection therewith.

5. *Indemnification.*

(a) The Company agrees to indemnify and hold harmless each Holder of the Securities, any Participating Broker-Dealer and each person, if any, who controls such Holder or such Participating Broker-Dealer within the meaning of the Securities Act or the Exchange Act (each Holder, any Participating Broker-Dealer and such controlling persons are referred to collectively as the “**Indemnified Parties**”) from and against any losses, claims, damages or liabilities, joint or several, or any actions in respect thereof (including, but not limited to, any losses, claims, damages, liabilities or actions relating to purchases and sales of the Securities) to which each Indemnified Party may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities or actions arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in a Registration Statement or prospectus or in any amendment or supplement thereto or in any preliminary prospectus or “issuer free writing prospectus,” as defined in Rule 433 under the Securities Act (“**Issuer FWP**”), relating to a Shelf Registration, or arise out of, or are based upon,

the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and shall reimburse, as incurred, the Indemnified Parties for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action in respect thereof; *provided, however*, that (i) the Company shall not be liable in any such case to the extent that such loss, claim, damage or liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in a Registration Statement or prospectus or in any amendment or supplement thereto or in any preliminary prospectus or Issuer FWP relating to a Shelf Registration in reliance upon and in conformity with written information pertaining to such Holder and furnished to the Company by or on behalf of such Holder specifically for inclusion therein and (ii) with respect to any untrue statement or omission or alleged untrue statement or omission made in any preliminary prospectus relating to a Shelf Registration Statement, the indemnity agreement contained in this subsection (a) shall not inure to the benefit of any Holder or Participating Broker-Dealer from whom the person asserting any such losses, claims, damages or liabilities purchased the Securities concerned, to the extent that a prospectus relating to such Securities was required to be delivered (including through satisfaction of the conditions of Rule 172 under the Securities Act) by such Holder or Participating Broker-Dealer under the Securities Act in connection with such purchase and any such loss, claim, damage or liability of such Holder or Participating Broker-Dealer results from the fact that there was not sent or given to such person, at or prior to the time of sale of such Securities to such person, an amended or supplemented prospectus, or if permitted by Section 3(d) hereof, an Issuer FWP correcting such untrue statement, omission or alleged untrue statement or omission if the Company had previously furnished copies thereof to such Holder or Participating Broker-Dealer; *provided further, however*, that this indemnity agreement will be in addition to any liability which the Company may otherwise have to such Indemnified Party. The Company shall also indemnify underwriters, their officers and directors and each person who controls such underwriters within the meaning of the Securities Act or the Exchange Act to the same extent as provided above with respect to the indemnification of the Holders of the Securities if requested by such Holders.

(b) Each Holder of the Securities, severally and not jointly, will indemnify and hold harmless the Issuer and each Guarantor, their respective officers and directors and each person, if any, who controls the Issuer or any Guarantor within the meaning of the Securities Act or the Exchange Act from and against any losses, claims, damages or liabilities or any actions in respect thereof, to which the Issuer or any Guarantor, their respective officers and directors or any such controlling person may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities or actions arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in a Registration Statement or prospectus or in any amendment or supplement thereto or in any preliminary prospectus or Issuer FWP relating to a Shelf Registration, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein not misleading, but in each case only to the extent that the untrue statement or omission or alleged untrue statement or omission was made in reliance upon and in conformity with written information pertaining to such Holder and furnished to the Issuer or any Guarantor or their respective officers or directors by or on behalf of such Holder specifically for inclusion therein; and, subject to the limitation set forth immediately preceding this clause, shall reimburse, as incurred, the Issuer and each Guarantor and their respective officers and directors for any legal or other expenses reasonably incurred by the Issuer, each Guarantor, their respective officers and directors, or any such controlling person in connection with investigating or defending any loss, claim, damage, liability or action in respect thereof. This indemnity agreement will be in addition to any liability which such Holder may otherwise have to the Issuer, each Guarantor, their respective officers and directors or any of their respective controlling persons.

(c) Promptly after receipt by an indemnified party under this Section 5 of notice of the commencement of any action or proceeding (including a governmental investigation), such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 5, notify the indemnifying party of the commencement thereof; but the failure

to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and *provided further* that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof the indemnifying party will not be liable to such indemnified party under this Section 5 for any legal or other expenses, other than reasonable costs of investigation, subsequently incurred by such indemnified party in connection with the defense thereof. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action, and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 5 is unavailable or insufficient to hold harmless an indemnified party under subsections (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party on the other from the exchange of the Initial Securities, pursuant to the Registered Exchange Offer, or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof) as well as any other relevant equitable considerations. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Holder or such other indemnified party, as the case may be, on the other, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding any other provision of this subsection (d), the Holders of the Securities shall not be required to contribute any amount in excess of the amount by which the net proceeds received by such Holders from the sale of the Securities pursuant to a Registration Statement exceeds the amount of damages which such Holders have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this subsection (d), each person, if any, who controls such indemnified party within the meaning of the Securities Act or the Exchange Act shall have the same rights to contribution as such indemnified party and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act shall have the same rights to contribution as the Company.

(e) The agreements contained in this Section 5 shall survive the sale of the Securities pursuant to a Registration Statement and shall remain in full force and effect, regardless of any termination or cancellation of this Agreement or any investigation made by or on behalf of any indemnified party.

6. *Additional Interest Under Certain Circumstances.*

(a) Additional interest with respect to the Initial Securities (the “**Additional Interest**”) shall be assessed as follows if any of the following events occur (each such event in clause (i) and (ii) below, a “**Registration Default**”):

(i) The Exchange Offer with respect to a series of Initial Securities has not been completed on or prior to the 295th day after the Issue Date; or

(ii) If, pursuant to the terms of Section 2 above, the Company is required to file a Shelf Registration Statement with respect to a series of Initial Securities, the Shelf Registration Statement has not been declared effective by the Commission on or prior to the 295th day after the Issue Date or, if the Company is required to file a Shelf Registration Statement with respect to any unsold allotment of a series of Initial Securities held by any Initial Purchaser, the Shelf Registration Statement has not been declared effective by the Commission by the later of (A) the 295th day after the Issue Date and (B) the 180th day after the date on which such Initial Purchaser requests that the Company file a Shelf Registration Statement with respect to such series of Initial Securities.

Additional Interest shall accrue on the Initial Securities of a series over and above the interest set forth in the title of the Initial Securities of such series from and including the date on which any such Registration Default shall occur with respect to such series to but excluding the date on which all such Registration Defaults have been cured with respect to such series, as follows: with respect to the first 90-day period immediately following the occurrence of the first Registration Default with respect to a series of Initial Securities, Additional Interest will be paid in an amount equal to 0.25% per annum of the principal amount of Initial Securities of such series; and with respect to each subsequent 90-day period until all Registration Defaults with respect to a series of Initial Securities have been cured, Additional Interest will increase by an additional 0.25% per annum with respect to such periods, up to a maximum amount of Additional Interest for all Registration Defaults of 0.50% per annum of the principal amount of Initial Securities for such series for any period after the first 90-day period immediately following the occurrence of the first Registration Default for such series. Following the cure of all Registration Defaults relating to any Initial Securities of such series, Additional Interest shall cease to accrue with respect to such securities.

(b) Notwithstanding the foregoing, a Registration Default referred to in Section 6(a) hereof shall be deemed not to have occurred and be continuing, and the Company shall have no obligation to pay Additional Interest as a result of such Registration Default, if such Registration Default has occurred solely as a result of action taken or not taken by the Commission that is arbitrary, capricious, an abuse of discretion or otherwise not in accordance with law within the meaning of the federal Administrative Procedure Act, as amended, as determined by a final order of a court of competent jurisdiction.

(c) Any amounts of Additional Interest due pursuant to Section 6(a) above will be payable in cash on the regular interest payment dates with respect to the Transfer Restricted Securities of the relevant series. The amount of Additional Interest will be determined by multiplying the applicable Additional Interest rate by the principal amount of the Transfer Restricted Securities of the relevant series, multiplied by a fraction, the numerator of which is the number of days such Additional Interest rate was applicable during such period (determined on the basis of a 360-day year comprised of twelve 30-day months), and the denominator of which is 360.

(d) “**Transfer Restricted Securities**” means each Security until (i) the date on which such Transfer Restricted Security has been exchanged by a person other than a broker-dealer for a freely transferable Exchange Security in the Registered Exchange Offer, (ii) following the exchange by a broker-dealer in the Registered Exchange Offer of an Initial Security for an Exchange Security, the date on which such Exchange Security is sold to a purchaser who receives from such broker-dealer on or prior to the date of such sale a copy of the prospectus contained in the Exchange Offer Registration Statement, (iii) the date on which the resale of such Initial Security has been effectively registered under the Securities Act and such Initial Security is disposed of in accordance with the Shelf Registration Statement or (iv) the date on which such Initial Securities are distributed to the public pursuant to Rule 144 under the Securities Act or can be sold pursuant to Rule 144 under the Securities Act.

(e) Notwithstanding the foregoing in this Section 6, (i) the amount of Additional Interest payable shall not increase solely because more than one Registration Default has occurred and is pending, and a Holder of a Transfer Restricted Security who is not entitled to the benefits of the Shelf Registration Statement (*i.e.*, such Holder has not elected to furnish information to the Issuer in accordance with Section 3(n) hereof) shall not be entitled to Additional Interest with respect to a Registration Default relating to a Shelf Registration Statement, and (ii) no Holder who (x) was eligible to exchange such Holder’s outstanding Securities at the time the Exchange Offer was pending and consummated and (y) failed to validly tender such Securities for exchange pursuant to the Exchange Offer shall be entitled to receive any Additional Interest that would otherwise accrue subsequent to the date that the Exchange Offer is consummated.

7. *Rules 144 and 144A.* The Company shall use commercially reasonable efforts to file the reports required to be filed by it under the Securities Act and the Exchange Act in a timely manner and, if at any time the Company is not required to file such reports, it will, upon the request of any Holder of Initial Securities, make publicly available other information so long as necessary to permit sales of their securities pursuant to Rules 144 and 144A under the Securities Act. The Company covenants that it will take such further action as any Holder of Initial Securities may reasonably request, all to the extent required from time to time to enable such Holder to sell Initial Securities without registration under the Securities Act within the limitation of the exemptions provided by Rules 144 and 144A under the Securities Act (including the requirements of Rule 144A(d)(4) under the Securities Act). The Company will provide a copy of this Agreement to prospective purchasers of Initial Securities identified to the Issuer by the Initial Purchasers upon request. Upon the request of any Holder of Initial Securities, the Company shall deliver to such Holder a written statement as to whether it has complied with such requirements. Notwithstanding the foregoing, nothing in this Section 7 shall be deemed to require the Company to register any of its securities pursuant to the Exchange Act or take any such actions after the Securities no longer constitute Transfer Restricted Securities.

8. *Underwritten Registrations.* If any of the Transfer Restricted Securities covered by any Shelf Registration are to be sold in an underwritten offering, the investment banker or investment bankers and manager or managers that will administer the offering (“**Managing Underwriters**”) will be selected by the Holders of a majority in aggregate principal amount of such Transfer Restricted Securities to be included in such offering.

No person may participate in any underwritten registration hereunder unless such person (i) agrees to sell such person’s Transfer Restricted Securities on the basis reasonably provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

9. *Miscellaneous.*

(a) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, except by the Issuer and the written consent of the Holders of a majority in principal amount of the Securities affected by such amendment, modification, supplement, waivers or consents.

(d) *Successors and Assigns.* This Agreement shall be binding upon the Issuer and its successors and assigns.

(i) *Securities Held by the Issuer.* Whenever the consent or approval of Holders of a specified percentage of principal amount of Securities is required hereunder, Securities held by the Issuer or its affiliates (other than subsequent Holders of Securities if such subsequent Holders are deemed to be affiliates solely by reason of their holdings of such Securities) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

(j) *Submission to Jurisdiction; Waiver of Immunities.* By the execution and delivery of this Agreement, the Company, in any suit or proceeding arising out of or relating to this Agreement that may be instituted in any federal or state court in the State of New York or brought under federal or state securities laws, submits to the nonexclusive jurisdiction of any such court in any such suit or proceeding. To the extent that the Company may acquire any immunity from jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, it hereby irrevocably waives such immunity in respect of this Agreement, to the fullest extent permitted by law.
