Appointment of Executive Vice President and Chief Operating Officer

On September 21, 2022, Corey Grindal, Executive Vice President, Worldwide Trading of Cheniere Energy Partners GP, LLC (“Cheniere GP”), the general partner of Cheniere Energy Partners, L.P. (the “Partnership”), was appointed as Executive Vice President and Chief Operating Officer of Cheniere GP, effective as of January 2, 2023.

Mr. Grindal, 51, currently serves as Executive Vice President, Worldwide Trading of Cheniere GP and Cheniere Energy, Inc. (“Cheniere”). Mr. Grindal previously served as Senior Vice President, Gas Supply of Cheniere and Cheniere GP from September 2016 to September 2020, after joining Cheniere in June of 2013 as Vice President of Supply. Mr. Grindal has over 20 years of experience in pipeline construction and operations, project management, and natural gas and power trading. Prior to joining Cheniere, Mr. Grindal was with Deutsche Bank and was responsible for physical and financial trading. Prior to Deutsche Bank, Mr. Grindal held positions with Louis Dreyfus and the Tenneco/ El Paso companies. Mr. Grindal holds a B.S. degree in Mechanical Engineering with Honors from the University of Texas at Austin.

In connection with the appointment to his new position, Mr. Grindal will enter into Cheniere GP’s standard form of indemnification agreement, as described in the Partnership’s Annual Report on Form 10-K for the year ended December 31, 2021, filed on February 24, 2022.

There are no arrangements or understanding between Mr. Grindal and any other persons pursuant to which he was appointed as Executive Vice President and Chief Operating Officer and no family relationship among any of Cheniere GP’s directors or executive officers and Mr. Grindal.

Mr. Grindal’s son, Christian Grindal, is a non-executive employee of Cheniere who earned aggregate cash compensation of approximately \$108,000 for fiscal year 2021, consisting of base salary and cash bonus, and equity compensation consisting of restricted stock unit (“RSU”) awards with a grant date fair value of \$10,899. Christian Grindal is expected to earn aggregate cash compensation of approximately \$130,000–\$140,000 for fiscal year 2022, consisting of base salary, cash bonus and certain relocation and associated transportation expenses, in addition to receiving equity compensation consisting of time-based RSU awards with a grant date fair value of \$11,584. In addition, Christian Grindal received in 2021 and is eligible to receive in 2022 other customary employee benefits. The compensation for Christian Grindal was established in accordance with its compensation practices applicable to employees with comparable qualifications and responsibilities and holding similar positions, without the involvement of Corey Grindal. The Partnership reimburses Cheniere for a portion of Christian Grindal’s annual earned compensation based on an allocation of his services pursuant to several services agreements between certain subsidiaries of the Partnership and certain subsidiaries of Cheniere.

Item 7.01 Regulation FD Disclosure.

The Partnership’s press release announcing the appointment of Mr. Grindal as Executive Vice President and Chief Operating Officer is attached to this report as Exhibit 99.1 and is incorporated by reference into this Item 7.01.

CHENIERE ENERGY, INC. NEWS RELEASE

Cheniere Announces the Promotion of Corey Grindal to Executive Vice President and Chief Operating Officer

HOUSTON—(BUSINESS WIRE)— Cheniere Energy, Inc. (“Cheniere” or the “Company”) (NYSE American: LNG) and Cheniere Energy Partners, L.P. (“Cheniere Partners”) (NYSE American: CQP) announced today the promotion of Corey Grindal to Executive Vice President and Chief Operating Officer, effective January 2, 2023. As Executive Vice President and Chief Operating Officer, Grindal will lead the Operations, Engineering and Construction, Shared Services and Worldwide Trading organizations within Cheniere. In his new role, he will continue to report to Jack Fusco, President and Chief Executive Officer. Grindal will also serve as Executive Vice President and Chief Operating Officer at Cheniere Partners.

Grindal will relocate back to Houston from London, where he has served as Executive Vice President, Worldwide Trading since 2020. Grindal joined Cheniere in 2013 and led the Gas Supply organization for the Company, which today is one of the largest holders of pipeline capacity and purchasers of natural gas in the United States.

“Establishing a Chief Operating Officer is another important milestone as we continually enhance our operations through improved coordination, communication, and alignment,” said Jack Fusco, Cheniere’s President and Chief Executive Officer. “Corey’s contributions have played a significant part in Cheniere’s success, most recently as EVP of Worldwide Trading, and previously SVP of Gas Supply. His experience, dedication and demonstrated commitment to Cheniere’s core values ideally position Corey for continued success as Cheniere’s Chief Operating Officer.”

“I’m excited to apply my experience from across Cheniere to make us more efficient, effective, and better coordinated across the platform,” said Corey Grindal, Cheniere’s incoming Executive Vice President and Chief Operating Officer. “It is a critical time for the company, with our operations and LNG production in focus across global energy markets, and I look forward to helping reinforce Cheniere’s reputation as the leading supplier of flexible and reliable LNG in the world.”

About Cheniere

Cheniere Energy, Inc. is the leading producer and exporter of liquefied natural gas (LNG) in the United States, reliably providing a clean, secure, and affordable solution to the growing global need for natural gas. Cheniere is a full-service LNG provider, with capabilities that include gas procurement and transportation, liquefaction, vessel chartering, and LNG delivery. Cheniere has one of the largest liquefaction platforms in the world, consisting of the Sabine Pass and Corpus Christi liquefaction facilities on the U.S. Gulf Coast, with total production capacity of approximately 45 million tonnes per annum of LNG in operation and an additional 10+ mtpa of expected production capacity under construction. Cheniere is also pursuing liquefaction expansion opportunities and other projects along the LNG value chain. Cheniere is headquartered in Houston, Texas, and has additional offices in London, Singapore, Beijing, Tokyo, and Washington, D.C.
